THE FOUNDER'S VISION

- ☞ "It is my earnest hope and prayer, that this centre of life and light, which is coming into existence, will produce students who will not only be intellectually equal to the best of their fellow students in other parts of the world, but will also live a noble life, love their country and be loyal to the Supreme Ruler."
- ☞ "A teaching university would but half perform its function, if it does not seek to develop the heart power of its scholars with the same solicitude with which it develops their brain power. Hence, this university has placed formation of character in youth as one of its principal objects. It will seek not merely to turn out men as Engineers, Scientists, Doctors, Theologists, Merchants, but also as men of high character, probity and honour, whose conduct through life would show that they bear the hallmark of a great university."

OBJECTIVES OF THE UNIVERSITY

- ☞ To promote the study of the Hindu Shastras and Sanskrit literature as a means of preserving and popularizing for the benefit of the Hindus in particular and of the world at large in general.
- ☞ To promote learning and research in Arts and Sciences in its branches.
- ☞ To advance and diffuse such scientific, technical and professional knowledge, combined with the necessary practical training to promote indigenous industries and developing the material resources.
- ☞ To promote the building up of character in youth by religion and ethics as an integral part of education.

SECTION -8

FACULTY OF SANSKRIT VIDYA DHARMA VIJNANA

The Faculty of Sanskrit Vidya Dharm Vigyan, established in 1918, was founded with the dual purpose of preserving and advancing the study of ancient Indian scriptures, Sanskrit language, and literature, while fostering a meaningful dialogue between Eastern and Western traditions. Initially known as the Faculty of Prachya Vidya, one of its primary aims is to challenge and dispel unfounded misconceptions surrounding Hindu religion, spirituality, astrology, and Tantra. It is equally dedicated to restoring the fundamental values of morality and religion, contributing to the upliftment of society at large and particularly focusing on the well-being of the masses. The Faculty preserves traditional methods of instruction, with classical texts being taught in alignment with India's rich oral and written traditions.

Currently, the Faculty encompasses eight departments and one centre, offering instruction in 23 subjects. It provides courses at the Shastri (Undergraduate) and Acharya (Postgraduate) levels across eight disciplines, alongside Vidyavaridhi (Ph.D.) programs in Sanskrit, Theology, and traditional subjects. Additionally, it offers several diploma and certificate courses.

The Faculty publishes an annual research journal, Sanskritvidya, which serves as a platform for scholars of Oriental sciences. Furthermore, it has consistently published the Vishwapanchang since 1926 CE, continuing a legacy of scholarly contribution.

The Faculty of Sanskrit Vidya Dharm Vigyan (SVDV) at Banaras Hindu University (BHU) stands as a beacon of traditional Indian knowledge and wisdom. It has continued to uphold its mission of promoting the study of Sanskrit, ancient Indian scriptures, and Dharmic studies. The academic year 2023-24 saw the Faculty engage in a variety of scholarly pursuits, student-centric activities, and collaborations that reflect its dedication to both preserving and advancing India's cultural heritage.
